

Research and Events Calendar 2024

At NextWealth we help firms thrive amid disruption. We offer broad market expertise and a deep understanding of the financial advice market and retail investment distribution. We offer research, consultancy and thought leadership content. We also host events and organise bespoke events for our clients.

Most of our work is done on a bespoke basis. The following is a list of the market reports we will publish and the events we will host in 2024.
